A Series Open Hearth Gas Broilers

Open Hearth Series

The Lazy Man Model A Series Barbecues are designed to give you complete cooking control. The Model A Series Open Hearth gas broilers have Stainless Steel Type 304 construction chassis, insert pan, drip pan and cooking grates. Models feature two burners per section and are available in sizes from 17" to 68" wide. These grills ship with natural lava rock and are completely assembled.

The A1TS through A4TS Series Open hearth gas broilers have been designed for built-in outdoor installations in masonry or other non-combustible materials **not in wood!** Sides and back of units are subject to discoloration. TS units use 1/2" I.P.S. gas connection.

The A1TS/SS through A4TS/SS Series Open hearth gas broilers have **NOT** been designed for use as built-ins. The front, sides and back are covered in Type 304 polished stainless steel. These units should be installed on a non-combustible surface **not on wood.** TS/SS units use 1/2" I.P.S. gas connection.
